Training | Conference | Exhibition

Venue: The International Centre, Telford

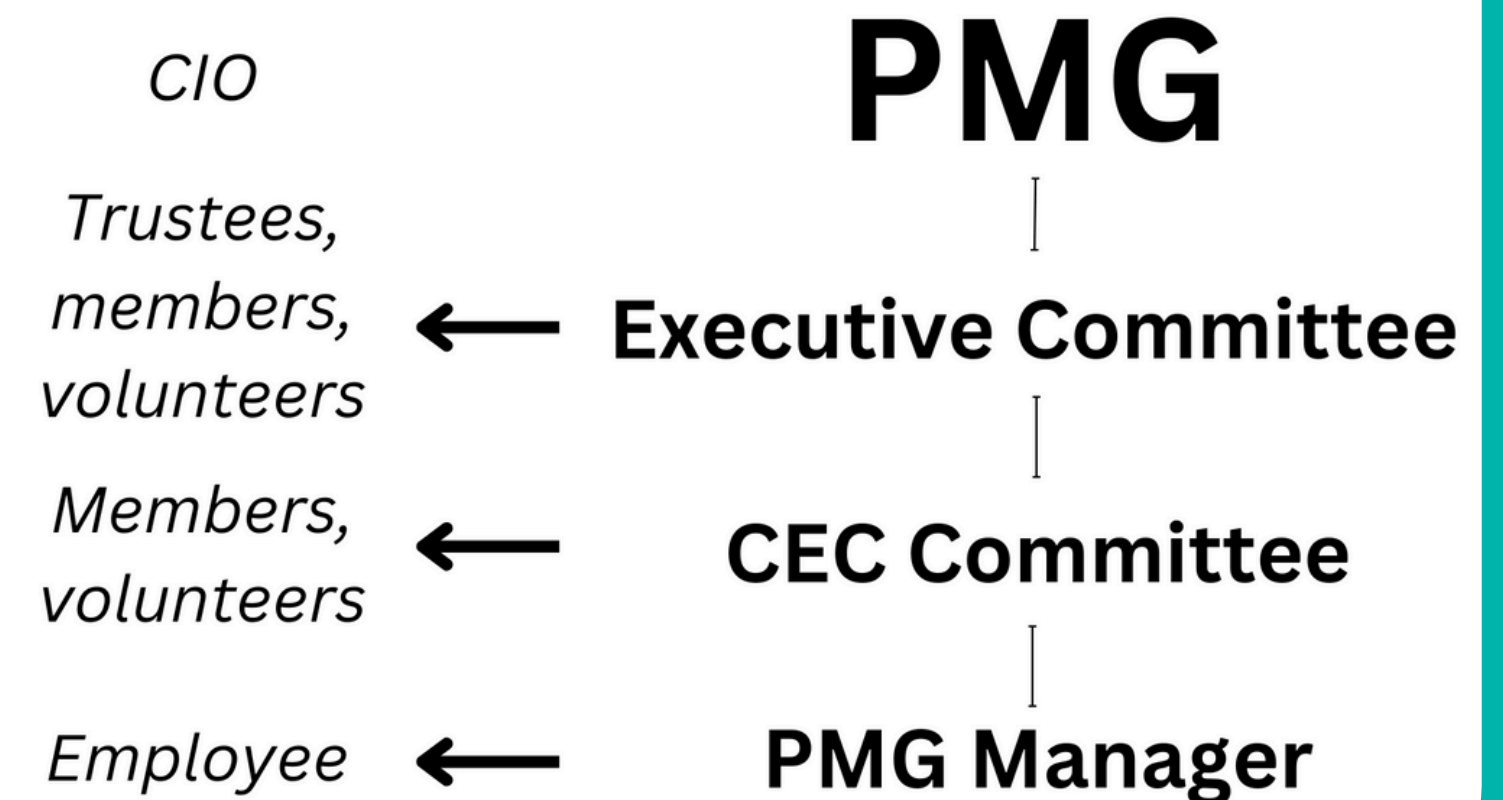

Dates: 14 - 16 July 2025

About PMG

Posture and Mobility Group (PMG) is a membership association and a Charitable Incorporated Organisation (CIO) with the aim of sharing knowledge and promoting best practice in the field of posture and wheeled mobility. PMG is managed by an Executive Committee who are the trustees of the CIO. The trustees delegate areas of responsibility to other committees which are made up of PMG members. All trustees and members of the committees are volunteers. The Conference, Education and Communications (CEC) Committee has responsibility for the annual training, conference and exhibition. Day to day management of the association and organisation of PMG2025 is by the PMG Manager, who is the sole employee.

Structure of PMG shown above

PMG2025

Posture and Mobility Group (PMG) currently has over 2000 members, the majority of whom are professionals working in rehabilitation, focusing on the provision of wheelchairs and special seating. **PMG2025**, our annual conference and training event, will provide a stimulating and varied programme of training and guest speakers. The accompanying exhibition will give you the opportunity to showcase your products to our membership of postural and mobility professionals including occupational therapists, physiotherapists and rehabilitation engineers from NHS wheelchair services.

“Overall a brilliant event.”

PMG2024 delegate

“Catering is really high standard and the venue is excellent, as is the pre-show support and comms.”

PMG2024 exhibitor
