

Posture, Seating and Wheelchair Skills Course

Friday 9th - Saturday 10th September 2016

Midland Spinal Injuries Centre

Oswestry, Shropshire

Agenda

The course will be run over two days and take a very practical and clinically based approach to all aspects of assessing and prescribing of seating for adult manual wheelchair users.

Topics covered include...

- Principles of seated posture and 24-hour positioning
- Evidence based justification to support the configuration of lightweight manual wheelchairs relating to user function
- Clear structure for physical assessment of posture
- Matching assessment finding to seating solutions
- Practical opportunities to learn manual wheelchair skills including car transfers (session run by experienced Backup trainers)

Suitable for:

Professionals working in Wheelchair Services or the seating industry (Therapists and Rehabilitation Engineers. Therapists working in a Spinal Injury Unit or rehabilitation setting).

Cost

£175 including refreshments. For further information contact:

marketing@sunmed.co.uk

Course Leaders

Lone Rose - Clinical Specialist PT, NSIC, Stoke Mandeville Hospital

Lone has worked as a Physiotherapist at the National Spinal Injuries Unit (NSIC) at Stoke Mandeville Hospital in a range of clinical, research and educational roles. Her special interest in posture, seating and wheelchair provision led to the development of the seating service at the NSIC as well as the nationally recognised posture and seating courses. Apart from her work at the NSIC, Lone also works as a seating consultant to the Chiltern MS centre and has more recently taken up post as a freelance course writer for the Spinal Injuries Association, presenting the 'Choosing your Wheelchair' course at spinal cord injuries centres throughout the UK.

Matthew Eveleigh - Clinical Specialist OT, Sunrise Medical

Matt has worked in the field of wheelchair and seating for over 13-years in South Wales in both adult and paediatric teams, prescribing seating solutions for a broad spectrum of conditions and client groups. Prior to joining Sunrise Medical as the Clinical Educator and JAY Product Specialist, Matt worked for the Special Seating Unit, Morriston Hospital, Swansea, assessing and prescribing standard, modified and custom moulded seating for clients across South West Wales.
