Sat nav postcode: **M3 5AL**

Manchester Central Travelodge is 10 minutes' walk from Victoria Train Station and 15-20 minutes' walk from Manchester Piccadilly Train Station; there is limited onsite parking, and an NCP next door (2 minutes' walk max). It is less than 15 minutes' walk to Manchester Central, where the PMG Conference 2018 takes place.

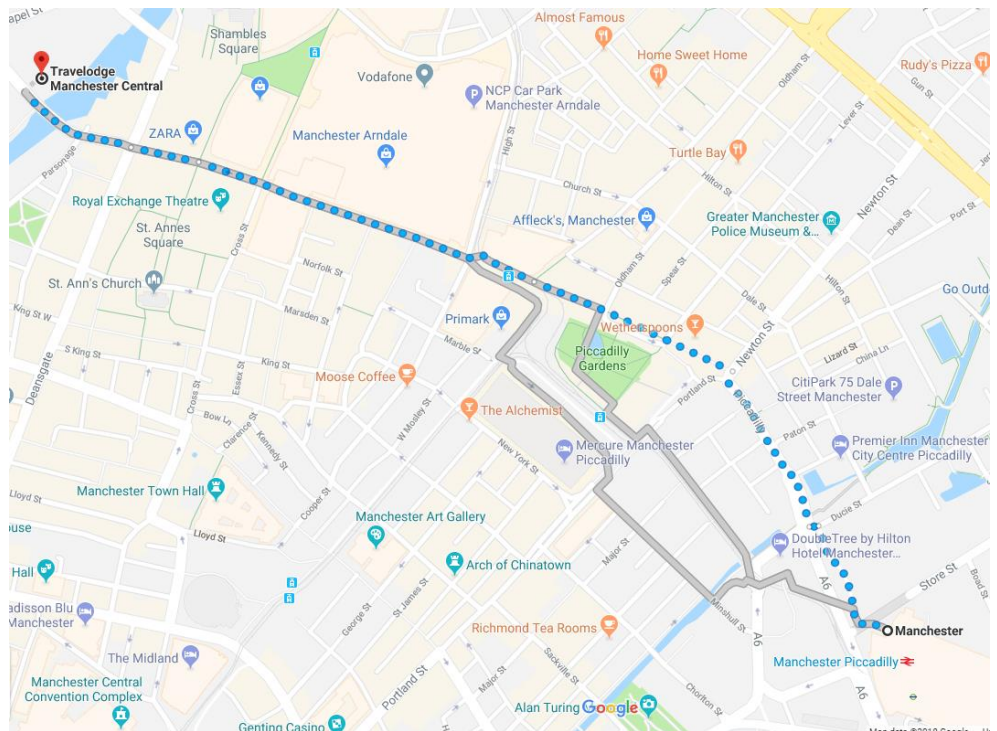

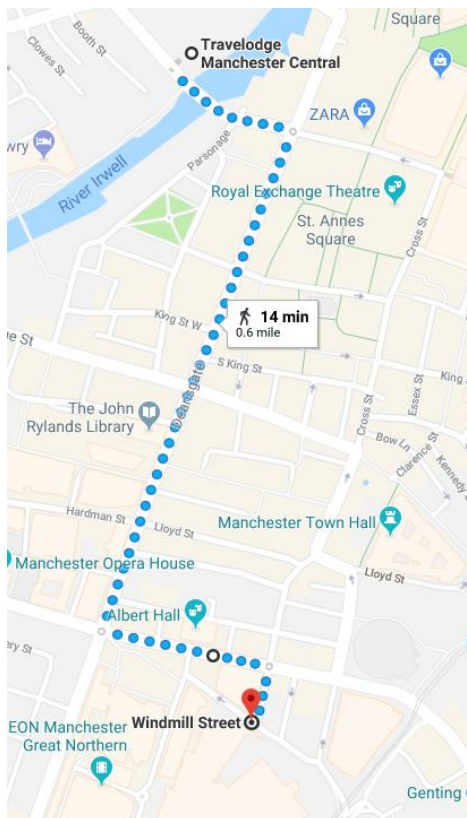

Suggested walking route from Victoria Station:

Exiting onto Victoria Station Approach, turn right and continue straight ahead, following the road round to the left into Hunts Bank; continue to the end of Hunts Bank, turning left onto Victoria Street; veer right onto Chapel Street (crossing the river) and continue along Chapel Street until the junction with Blackfriars Street and Blackfriars Road. Turn left into Blackfriars Street and the Travelodge is a short way along this street, on the left.

Suggested walking route from Piccadilly Station:

Use the main exit and walk down the large ramp (Station Approach); at the end of Station Approach, cross Ducie Street, continuing straight ahead onto Piccadilly. Continue along Piccadilly, crossing the road at the junction with Newton Street, Lever Street and Oldham Street (you will walk past Piccadilly Travelodge along here – don't stop – it's not your hotel, sorry!). Continue straight ahead into Market Street, crossing the High Street (careful of the trams!); continue into St Mary's Gate and then Blackfriars Street. The Travelodge is a short walk along this street, over the bridge, on the right.

SUGGESTED WALKING ROUTE TO MANCHESTER CENTRAL:

On leaving Travelodge, turn left and continue along Blackfriars Street. Turn right onto Deansgate and continue for a few minutes, crossing the road at the junctions with St Mary's Street, King Street and Bridge Street. At the junction with Peter Street and Quay Street, turn left onto Peter Street; take the second right into Southmill Street. You will see Manchester Central straight ahead, on Windmill Street. The PMG registration is in the Exchange Lower Foyer, opposite the Steak and Lobster restaurant.
