## Itinerary

10.45 am – 11.10 am	Registration
11.15 am – 12.45 am  <b>Speaker:</b> Mark Scott  Global Education & Business Development Manager  	<b>Assessing for Alternative Drive &amp; and Identifying the Proper Solution for Success</b>  Identifying a proper Alternative option to drive a power wheel chair is critical for those clients that do not have the ability to effectively or proficiently drive a powered wheel chair with a Standard joystick. In this course we will discuss the key components of the client/caregiver interview when considering power mobility. We will discuss sensory considerations when assessing for alternative drive controls. We will also identify three proportional drive control systems and three mechanical drive control systems. Lastly, we will list 3 access sites for alternative drive controls.
12.45 am – 13.25 pm	<b>FREE BUFFET LUNCH</b>
13.25 pm – 14.30 pm	<b>Assessing for Alternative Drive &amp; and Identifying the Proper Solution for Success (Continued)</b>
