

OCCUPATIONAL THERAPIST/ PHYSIOTHERAPIST

Blatchford is a family owned business which strives to put The Patient First!

About the role:

An exciting opportunity has arisen for an innovative, skilful and enthusiastic Occupational Therapist or Physiotherapist to join the Blatchford team at the Specialist Mobility Centre in Leicester. This post provides a clinical service to the Leicester, Leicestershire and Rutland wheelchair, special seating and environmental controls service.

About us:

Blatchford is a private UK company employing over 600 people worldwide and is a leading supplier of services and products to the NHS. Working in partnership with the NHS, we deliver outstanding, patient focused clinical services.

Essential requirements:

The successful candidate should have at least one years' experience as a qualified occupational therapist or physiotherapist (Diploma/BSc O.T.) and a passion for carrying out postural management assessments to achieve the best mobility solution for the patient. The successful applicant will play a vital role in further developing the wheelchair and environmental control service.

You will be required to have excellent communication skills and contribute to and support the interprofessional team.

Applicant must have HCPC registration and full driving licence. All offers will be subject to satisfactory D&BS check.

Benefits:

- Salary range from £22,000 to £27,000 depending on experience
- Contributory pension scheme
- 25 days holiday increasing with service

So if you can offer the above and are still interested in this position, please apply by sending a current CV with a covering letter to: [**recruitment@blatchford.co.uk**](mailto:recruitment@blatchford.co.uk)

For more information about this role, please contact: **Caroline Desjardins (Clinical Lead)** or **Emily Wing (Operational Lead)** on **0116 2823500**.

Closing date: 1 August 2014
Interviews: 4 August 2014
