

### **Required – Lead Production Operative**

Molten Rock Equipment Ltd. design, market and manufacture unique off road mobility products for wheelchair users, have recently attracted substantial investment enabling us to grow our business. We have a new position for a Lead Production Operative. Initially personally undertaking most of our production there is ample opportunity for the right person to shape the manufacturing facility, devise systems and advance to a more managerial position as the company grows rapidly.

We are looking for an enthusiastic, disciplined individual to join our small team. Undoubtedly technically competent, they will be able to manage and organise themselves to achieve production schedules. Not afraid of hard work, he or she will continuously identify and propose ways to improve our methods. This will be a challenging and varied role for someone who thrives on the highs (and lows) of a busy growing company.

Reporting to and working closely with the Technical Director

### **Responsibilities**

- Assembly of standard and customised machines in our workshop.
- Keeping track of inventory and stock control.
- Assisting with production of bespoke customer solutions.
- Pre-delivery inspections and quality checking of goods.
- Participating in the implementation of Production processes/Systems

### **Qualifications, education and training**

- Practical workshop experience, preferably product assembly, is essential. Experience of basic electronics assembly; wiring, soldering is highly desirable.
- Good IT and communication skills are essential.
- Experience of or strong interest in Production Management and/or Production Engineering.
- If from a cycle mechanic background CYCTECH2 or equivalent is desirable.
- Any other relevant engineering qualifications gained or training courses completed will be considered.
- A full (ideally clean) driving licence is essential.
- Customer facing skills and a sense of humour

Working Hours. Basic 9am-5pm Monday to Friday, with the possibility of extra hours as required.

**Salary; On application and dependent on experience.**

Location. Milton Keynes/Cranfield
