

# Power Control Systems & Programming

Wednesday 6th March and Thursday 7th March 2013

Presented by

**Robert Woodcock**

## Venue

Mercure Brighton Seafront Hotel, 149 Kings Road, Brighton. BN1 2PP

## AGENDA

### DAY 1

Wednesday 6th March 9.30am - 4.30pm

- System overviews of both the VR2 and R-net
- Application (where and when to use options)
- Features and options
- Basic programming

### DAY 2

Thursday 7th March 9.30am - 4.30pm

- VR2 to OEM level
- R-net to OEM level
- Advanced programming
- Special controls (products and programming)
- Web IQ, how to access and use

A practical one-day follow-up course will be organised afterwards to enable hands-on application of the theories learned.

## Course Description

A two-day course designed to look at the different control systems used on the Sunrise Medical Powerchair range: Penny and Giles VR2 and R-net.

NB: Attendance on this course leads to OEM certification
