

Wheel of Health

Occupational Therapist/Physiotherapist Associate

Recruiter: Wheel of Health

Location: Home based (South/South East/Midlands/North East/Scotland/Wales)

Description: We are looking for Occupational Therapists/Physiotherapists to work as self employed Associates. Applicants should have experience of Wheelchair seating/Posture management/ Pressure care/ 24hr posture management and allied areas, such as wheelchair controls and associated moving and handling and transportation issues.

The role will give you the opportunity to use your skills to find innovative and creative solutions to meet client needs. You will be required to carry out needs led assessments for wheelchair users with complex clinical needs, ensuring timely and clinically appropriate solutions. This will then lead to liaising with equipment suppliers, as necessary, to carry out product trials resulting in a detailed specification before ensuring set up and handover of equipment.

This opportunity would suit those who wish to extend their professional experience into the private sector and gain autonomy in personal case management within this specialist area.
