

# Deliver effective postural care training.

A one-day '**Train the Trainer**' workshop for HCPC registered children's occupational therapists and physiotherapists - provides everything needed to deliver effective training that improves the knowledge, confidence and understanding of parents and teachers about postural care at home and school.

## **What therapists have said about the 'Train the Trainer' workshops...**

"Excellent ..training package"

"Friendly and welcoming style, inviting interaction and discussion"

## **What parents and teachers have said about the Posted training...**

"I feel more reassured, less anxious"

"I have more ideas about how to make sure the child is included in the classroom"

"...helped me focus on good positioning"

## **What therapists say about the Posted training...**

"Should be made available for every teaching assistant so they have a basic understanding of postural care"

"Helped parents gain greater insight"

"...a light bulb moment in the school - to see the link to learning"

Date: Friday 7th October 2016
